

Join Roscommon Tidy Towns In Saying 'FAREWELL TO THE SWIFTS' ROSCOMMON TOWN

Lynda Huxley, of Swift Conservation Ireland, will be in Roscommon town on Tuesday 1st August @ 8.30pm to do a "Farewell to the Swifts" walking tour of the Swift Breeding Sites and nest box projects around Roscommon Town. The tour is free and all are welcome. Meeting outside front of Gleeson's in Market Square

The Swift comes to our towns to breed every year between May and August. They nest in the buildings of our towns and villages. You will not see their nest as they leave NO droppings. BUT their numbers have declined by over 40% in the past 20 years and they need our help to recover. We will show you the various projects Roscommon Tidy Towns has put in place to help save the Swift.

TUESDAY, 1 AUGUST 2017 at 8.30pm
outside Gleeson's in Market Square, Roscommon Town
